

iProjects

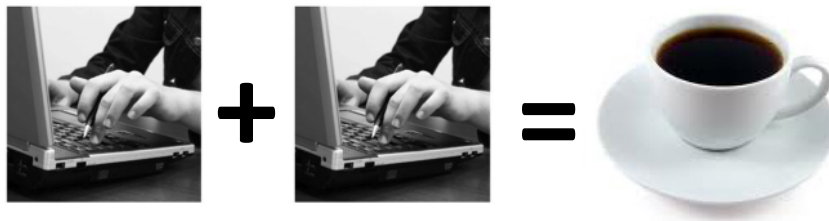

Purchase Plan: How much does it cost?

The short answer: Not much - half the price of a daily cup of coffee – or less.

And that includes full email support and all upgrades!

iProjects is a “FileMaker Solution”, built on the FileMaker™ relational database. We can supply the FileMaker licenses, or you can supply them.

License fees, per seat	Quarterly contract			1 year contract			2 year contract		
	Monthly	Total	Per day	Monthly	Total	Per day	Monthly	Total	Per day
We supply FileMaker	\$52.50	\$157.50	\$1.75	\$45.00	\$540	\$1.50	\$37.50	\$900	\$1.25
You supply FileMaker	\$33.00	\$99	\$1.10	\$30.00	\$360	\$1.00	\$27.00	\$648	\$0.90

Fee schedule conditions & notes:

1. All prices are ex-GST and paid in advance for the contract period. Two-year contracts are renewable annually after the first two years.
2. License fee includes provision & maintenance of FileMaker™ software, license of **iProjects**, system upgrades, and **unlimited email/website support**.
3. There is a standard one-time setup fee of \$750 + GST, which covers provision of all required server software and maintenance, plus up to one hour of technical support for server configuration. This fee may be waived for firms purchasing three seats or less, or where the firm already has a current FileMaker™ server license. Contact us for conditions.
4. There is a 2% cost-recovery fee for credit card payment. We do not accept AMEX or Diners cards.
5. Telephone support: Standard \$95/hour, with first 10 minutes always FREE.
6. On-site custom training, if desired, is available for \$150/hour standard pricing plus travel expenses. A minimum of 4 hours applies in Melbourne; 8 hours elsewhere.
